GREAT VIRGINIA HISTORICAL PAGEANT IS NOW NINE WEEKS OFF

PLANS FOR SPECTACLE GO RAPIDLY AHEAD

Will Trace Development of Old Dominion From Landing at Jamestown, Through Stirring Periods to Present Time-Stage to Accommodate 3,000.

Nine weeks from tomorrow the his tory of Virginia, from the landing of Captain John Smith at James-town down to the present day, including the Revolution and the War of 1812, the days of the War Between the States, the Spanish-American and the world wars, will be depicted through the medium of the Virginia listorical Pageant, which will be staged near Bryan Park throughout the week of May 22.

The pageant book will not be of one person's idea or knowledge of the Single Pageant of Virginia. The pageant book will not be of one person's idea or knowledge of the Single Pageant of Virginia. Revolution ary ball.

The pageant book will not be of one person's idea or knowledge of history, but it will be a composite story, the data and details for which have been gathered by hundreds of the virginians, who have delved into the musty records of their old courthouses, and from printed pages that have turned brown with age they have gathered the information which will make the Virginia Historical Pageant are rapidly materializing. Committees have been appointed and the work of preparing the affair will get under way ball.

to keep down uric acid.

Rheumatism is caused by poisonous toxin, called uric acid, which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine. The pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly, cold weather the skin pores are closed, thus forcing the kidneys to do double weather the skin pores are closed, thus forcing the kidneys to do double work, they become weak and slug-gish and fail to eliminate this urle acld, which keeps accumulating and circulating through the system, event-
